

Eppendorf Certificate

Certificate of Purity - guaranteed quality

This package contains a high-quality consumable manufactured under the guaranteed quality Eppendorf Purity Standard.

The Eppendorf guaranteed quality consumables are produced in a controlled environment according to ISO class 8 of ISO 14644-1.

Through the use of high-quality raw materials and continuous in-process controls during production, Eppendorf certifies for this product the following relevant product and quality specifications:

- >function, tightness, precision
- >low wetting
- >high chemical resistance
- >high centrifugation stability
- >high transparency
- >precisely shaped

Inspection records are reviewed and approved by qualified personnel for product release.
